the northwestern region of lehigh county is a rural area comprised of four townships heidelberg lowhill lynn and weisenberg the area was  
predominantly settled by the pennsylvania germans beginning in the 1730s and 1740s the region was primarily devoted to agriculture and  
small family owned farms as the population grew during the 19th century small towns were settled and businesses and manufacturing  
developed to support the local agricultural communities the pennsylvania germans were unique in that they continued to speak a german  
dialect that virtually remained unchanged since their immigration to america during the second half of the 20th century the region slowly  
changed as outsiders moved into the area and family farms began to disappear from the landscape northwestern lehigh county showcases a  
region with a diverse population and changing land use yet one that still maintains its roots in its past and the farming that was so prevalent
